Summary

Business Operations Analyst at Career Launcher | MBA (Marketing & Finance) | Power BI & Excel Enthusiast Previously worked as a Client Acquisition Executive at IndiaMART, managing SME client relationships, B2B campaigns, and lead-generation tracking. Currently working at Career Launcher, where I handle operations, ERP processes, student onboarding, and sales performance tracking while also preparing dashboards for business and sales analysis. Skilled in Power BI, Excel, Power Query, and DAX with hands-on experience building sales funnel and campaign performance dashboards to turn raw data into actionable insights. Open to Business Analyst and Data Analyst opportunities where I can combine business operations, marketing understanding, and data storytelling to support data-driven decisions.
